SOFT SKILLS

- Responsible.
- Teamwork.
- Willing to learn new things.

PROJECTS

SpookyShop | eCommerce

Repository | Deploy.
An ecommerce made entirely with pure CSS/JavaScript. Form validation, login/register CRUD in LocalStorage, products rendering by fetching a local JSON.

Retro | To-do App

Repository | Deploy.
To-do app made with ReactJS, I've also used several libraries to style it. Tasks are saved in localStorage.
